TUCKER - ALMY SALE

MONDAY,

OCTOBER 20, 1958

CHRISMAN, ILLINOIS

Lu Ann Tucker with S & T Augusta 20th, the first calf by the many times champion Leveldale Caesar dropped on the Tucker Farm. She was undefeated in class until the Illinois State Fair, where she stood third in a class of 13 senior heifer calves. Seven females in this sale will sell with Leveldale Caesar calves at foot or bred to him.

First Annual Sale

MALCOLM TUCKER & SON

Chrisman, Illinois

ROBERT L. ALMY

Bambi Farm, Georgetown, Illinois

MONDAY, OCTOBER 20, 1958

at the Malcom Tucker farm 5 miles east of
CHRISMAN, ILLINOIS

A carefully selected offering of 54 Lots.

Also a Few Top Club Calves

Mrs. Robert Almy with a typical Bambi production by Kickapoo Gambler. This heifer was the reserve grand champion female of the West Central Illinois Show and Sale, Princeton.

General Sale Information

TIME—Monday, October 20, 1958. The sale will start at 12:30 p.m. Lunch will be served on the grounds. Club calves sell first.

LOCATION—The Malcolm Tucker Farm. Five miles east of Chrisman, Ill. Take U.S. 36 to Scotland Road, turn north. Farm is one and one-half miles on east side of the road. Approximately 30 miles south of Danville, Ill. 5 miles east of the Indiana line.

SALE HEADQUARTERS—There are excellent motels in the area, only a short distance from the farm. We will be glad to make a reservation for you. Address Malcolm Tucker, Chrisman, Ill.

AUCTIONEERS—C. D. Swaffar, Tulsa, Okla.; H. P. Miller, Danvers, Ill.

SALE MANAGER—Don Longley, 16 So. Locust St., Aurora, Ill.

TERMS—The terms of this sale are cash at the time of purchase. Settlements to be made with the clerk immediately following the sale. All stock will be at buyer's risk as soon as bid off, but we will assist in loading and helping buyers obtain transportation. Arrangements may be made with the sellers to leave the cattle at their farms for a reasonable length of time so that buyers can complete transportation arrangements from their homes, if they wish.

HEALTH—Official calfhood vaccination of heifers has been practiced in these herds. All sale cattle will be tested prior to the sale according to the health regulations of the State of Illinois. Interstate health papers will be provided out-of-state buyers. Since health regulations differ from state to state, all buyers must be aware of the regulations of their own state.

A certificate of registration and a signed transfer will be supplied each lot sold, properly transferred to the new buyer. Calfhood applications will be supplied for calves in dam or at foot under six months of age.

Where footnotes appear in the catalog they were furnished by the owners or written from information supplied by the owners. The terms shall constitute a contract between the buyer and seller of each lot.

While every effort will be made to protect the safety and comfort of those attending, the owners, sale manager, clerk, auctioneer, owners of the fairgrounds cannot be responsible for accidents that may occur. Every person attending must assume the risk of injury to himself. The sale manager was retained for specific tasks promotional and clerical and has nothing to do with the condition of the premises, handling of the cattle, fulfillment of guarantees, or possible errors on the health charts.

GUARANTEE—All cattle will be sold under the Standard Guarantee recommended by the American Shorthorn Association.

MAIL BIDS—May be sent to any of the following representatives: Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Ill.; Darell Overholt, Chicago Daily Drovers Journal, Union Stockyards, Chicago 9, Ill. or to any of the owners or auctioneers.

These heifers are being sold in this sale by Robert L. Almy. Left to right, Bambi Eliza 7th, Lot 42; Bambi Goldie, Lot 47; Bambi M Briseis, Lot 34; Mambi Gloster 9th, Lot 38.

During the past ten years both of our herds have been consistent consignors to the Illinois State Sale, the International Sale, the East Central Illinois Sale, the South Central Illinois Sale, and others. Always our productions have stood at or near the top. Our herds have grown to the point where we feel we should concentrate our selling in an annual production sale of our own. The plan is for each herd to have at least twenty-five top cattle available for this event each year.

Cooperation between our herds is nothing new. For years we have worked together, shown against each other as friendly competitors, and have occasionally purchased a top herd sire in partnership.

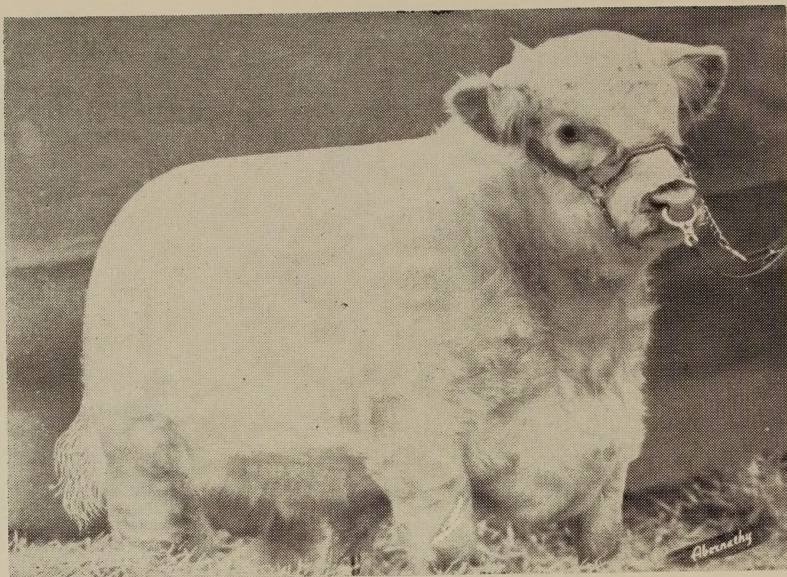

We feel the three herd principal herd sires in service today . . . Leveldale Caesar, Morphie Count, and Leveldale Pacemaker, present as formidable array of herd sire power as anywhere in the nation.

Recognizing the importance of making this first offering pleasing, so you will return to our future sales, both herds have refused all private treaty offers, holding everything for this sale, and we have both gone deeply into females originally scheduled for herd replacement.

Whether you are currently interested in buying or not, we hope you will use this sale as an occasion to visit us.

MALCOLM TUCKER & SON

ROBERT L. ALMY

Bridegroom's Masterpiece. Bred by Malcolm Tucker & Son and a son of Bridegroom 22nd, the herd sire used in partnership by both herds. This impressive bull stood second in a class of 29 senior bull calves at the 1956 International. He was purchased from Tucker for use in the famous Hanson Heights herd, Connersville, Ind.

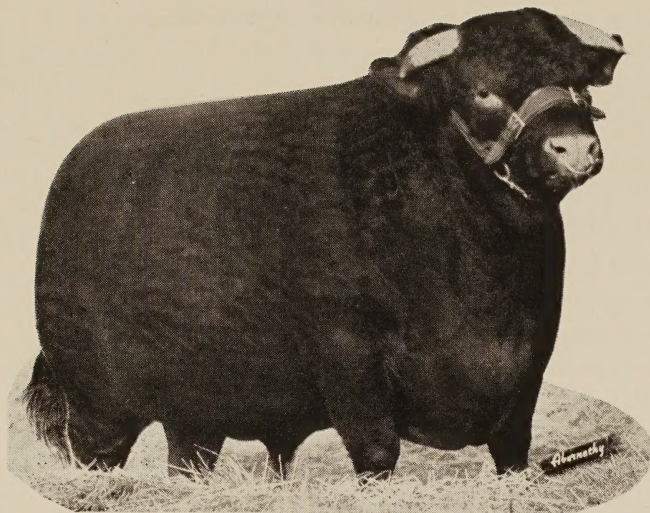

The future of our great breed rests in the hands of capable young breeders like Malcolm Tucker and Bob Almy. When one visits their beautiful, well managed farms, studies their herds, visits with their wives and growing families, there is an air of permanence about their Shorthorn operations.

Both of these men were attracted to Shorthorns through club work. Neither are young in the Shorthorn business. For many years consignments from these herds have been among the tops in our leading sales. Their cattle have gone into some of the finest herds in the land . . . with an amazing record of performance. Both are active showmen, never fearing to tackle the strongest competition, such as the International and Illinois State Fair.

I had the pleasure of helping them pick out their sale offering. It was not difficult because each herd had a wealth of power to draw from. I know how determined they were that no mediocre cattle be sold. It is truly one of the season's best sale offerings. There are bulls capable of heading the best herds, and a beautiful group of females bred to a powerful group of herd sires.

I congratulate these herds in their plans for an annual production sale. It is a further significant step in their continuous progress. They are deserving of your support . . . and so are their cattle.

DON LONGLEY, The Shorthorn World.

A bull that needs no introduction to Shorthorn breeders. Sensational winner as a calf, a yearling, and a two year old. Winner of 22 major championships in three years of showing under every leading judge. We acquired a half interest in this bull in 1957 from Mathers and are using him in partnership with them. There are excellent calves at Leveldale by him and you will see more here. The first calf by him to arrive at our farm is a senior heifer on our show string (pictured on page 1 of this catalog). She was undefeated until Springfield, where she stood third behind another of our heifers in one of the strongest classes. Seven females in this sale sell either with calves at foot by Leveldale Caesar or bred to him. A record of his major championships is shown on page 6.

Leveldale Caesar

Senior champion, 1955 International.
Junior champion, 1954 Arizona National.
Reserve senior champion, 1955 Arizona National.
Grand champion, 1956 Arizona National.
Senior champion, 1956 Denver.
Reserve grand champion, 1955 Fort Worth.
Senior champion, 1956 Fort Worth.
Reserve Junior champion, 1954 Houston.
Reserve senior champion, 1955 Houston.
Senior champion, 1956 Houston.
Senior champion, 1956 San Antonio.
Reserve Grand champion, 1954 Illinois State Fair.
Senior champion, 1955 Illinois State Fair.
Grand champion, 1954 Ohio State Fair.
Senior champion, 1955 Iowa State Fair.
Reserve grand champion, 1954 Indiana State Fair.
Senior champion, 1955 Indiana State Fair.
Grand champion, 1954 Kentucky State Fair.
Grand champion, 1954 Tennessee State Fair.
Grand champion, 1954 Mid-South Fair.
Grand champion, 1954 Eastern National.
Reserve grand champion, 1955 Eastern National.

Leveldale Pacemaker

First in class, 1956 International.
Reserve junior champion, 1956 Eastern National.
Grand champion, 1958 Arizona National.
Reserve grand champion, 1957 Arizona National.
Grand champion, 1958 Houston.
Reserve junior champion, 1958 Houston.
Senior champion, 1958 Illinois State Fair.
Reserve Grand champion, 1957 Illinois State Fair.
Grand champion, 1957 Ohio State Fair.
Reserve grand champion, 1957 Kentucky State Fair.
Junior champion, 1957 Indiana State Fair.
Grand champion, 1957 American Royal.
Reserve grand champion, 1958 San Antonio.
Grand champion, 1958 Denver.

33 MAJOR CHAMPIONSHIPS BEHIND THESE TWO BULLS . . . both in service today in the Malcolm Tucker herd. Placed in championship category by practically every major judge. THE GET AND SERVICE OF THESE BULLS WILL BE A FEATURE OF THIS SALE.

LEVELDALE PACEMAKER—One of the most popular bulls the Mathers have shown. We purchased him for \$3,350 in the 1958 Leveldale sale. He has won twelve major championships already including the Grand Championship of the 1958 National Western, Denver. Twelve females in this sale sell bred to him. We are confident he will be a strong sire, that his calves will be much in demand. We are sharing his first calf crop with the public through the females bred to him in this sale.

Purchased as a calf for \$1,300 in the 1955 Gardhouse sale, he has developed wonderfully and is proving an exceptional sire. His sons and daughters in this sale will demonstrate his ability. Recently our neighbor, John Land, who has one of the fine herds in Illinois, visited our farm and was so enthusiastic about the calves that he persuaded us to sell him a half interest in Morphie Count. He is a son of Calrossie Crocus Count, sire of six bulls that have been champions or reserve champions at Perth. Morphie Count is a half brother to Marellbar's Kair Ranger, 1957 International reserve grand champion, and to Kair Masterkey, sire of the 1958 Perth reserve grand champion. Like Kair Ranger he has a Beaufort Bolido cross on the dam's side. Seven sons and daughters sell in this sale. Fifteen females sell either with calves at foot by him or bred to him. His calves have great heads, deep thick bodies, short legs, substance, and are dark colored.

Aldie Mainliner. Sire of Kickapoo Mainliner.

KICKAPOO MAINLINER—Produced through the mating of the \$2,300 Augusta Chrissie 4th with Aldie Mainliner. We purchased him as a youngster from Kickapoo and he has been a consistent sire of quality cattle. Ten sons and daughters sell.

Kickapoo Gambler

This bull was produced by mating the top bull of the 1950 Mathers sale, Kirkton Gambler, to the top female, Augusta Cassie 3rd. Nine sons and daughters are being sold by Robert Almy in this sale.

Sire of many sale tops, he is the sire of S & T Gambler, bred by Robert Almy and sold by Malcolm Tucker in the 1956 International sale for \$1,700 to Walter Bros., Grand Ridge, Illinois.

Kickapoo Gambler

Bridegroom 22nd

One of the best breeding sons of the famous Allison sire, Saltoun Bridegroom. Bridegroom 22nd was purchased in partnership by Robert Almy and Malcolm Tucker and left good calves in both herds.

He sired, Bridegroom's Masterpiece, second prize senior bull calf in a class of 29 at the 1956 International. He is also the sire of the grand champion on-the-hoof carcass steer at the 1957 International. Six sons and daughters of Bridegroom 22nd sell in this sale.

Bridegroom 22nd

Lakeside Type 3rd

A bull that filled the Almy herd with outstanding breeding females, uniform in type and breed character. For many years they saved their Lakeside Type heifers, selling only the occasional one at the top of state and district sales. He was a son of Uppermill Lochter, an imported bull that did a fine job in the Ben Lake herd.

Almy is selling seven deep bodied, good producing cows by Uppermill Lochter.

S & T DUCHESS OF GLOSTER 4th—A nice roan heifer by Bridegroom 22nd and out of a good Duchess of Gloster cow which goes back to Lo Mar Gloster 7th, which I purchased at an Illinois State Sale as a 4-H project. This has been a very prolific family and should do well for its new owner. She sells with a roan heifer calf at side by Leveledale Caesar, which with a little care should make a show heifer.

S & T AUGUSTA 5th—A show heifer in every way . . . good headed, smooth, with plenty of bone. She was second in her class at the 1958 Illinois State Fair and was a member of the second place pair of calves. She is an example of the Mainliner heifers that have been retained. Her dam, B & B Augusta 10th, was purchased in the 1953 Congress Sale from Gavin. She has had five heifer calves and has a bull calf now at side by Caesar. Four of the heifers were shown with success. One was a member of the fifth place pair of calves at Springfield two years ago and another topped the South Central Sale at \$430, going to George Dohme, Broadlands. We are retaining three of her daughters in the herd. This one we would like to keep also but she is being consigned as a sale attraction. She should go into a good herd of cattle. **Selling open.**

C B VILLAGE D—A nice typy heifer with a sweet head by the C. J. Aschermann herd bull, Duncrahill Collaborator, which was the second top bull in the 1956 Reford Gardhouse sale. Her dam is by a bull that has sired some very good cattle for Corray Bros. and also Charlie Wise. Bred to Leveldale Pacemaker.

Bridegroom's Masterpiece. Second prize senior bull calf in a class of 29 at the 1956 International. Sire, Bridegroom 22nd. Bred by Malcolm Tucker & Son, he was sold to Hanson Heights Farm, Connersville, Indiana.

My entrance into the breeding of Shorthorn cattle began in 1938, when I became old enough to enroll in 4-H club work. My father, brother, and I went to Weaver Baum's and purchased two open heifers. These produced several champion 4-H steers and heifers for us.

In 1947 I disposed of my part of the Shorthorn herd. A year later my father-in-law and I started a new herd under the name of Scott and Tucker. We purchased ten cows and a bull from Canada, added a few good females from local district sales. In 1950, Father Scott passed away and I bought his portion of the herd so that it might be kept intact.

One of our best buys came in the first East Central Sale held at the Robert Almy farm. We purchased a white heifer in calf to Lakeside Type 3rd. From this mating we lucked a herd bull which we called Scottish Type. He was used for several years leaving an excellent group of females. The next bull was Kickapoo Mainliner which we purchased from Kickapoo Farms at the fall Knoxville sale in 1953. This bull has really given us a boost siring a grand group of females that are breeding on. We needed a junior herd sire. After looking for some time we found a white bull, Bridegroom 22nd, at Allison's at Wash-

ington, Ind. Robert Almy and I purchased this bull in partnership. He left a good group of calves for us. He sired the second place senior bull calf at both the Illinois State Fair and the International in 1956, also the Champion on the Hoof Carcass Steer at Chicago in 1957.

Our next step was the purchase of half interest in Leveldale Caesar from Les and Gene Mathers. His first calves are developing well for us and we are more than pleased the way they are turning out. The first calf to be dropped at the farm stood third this year in a strong senior calf class at the Illinois State Fair.

To further help us along in our breeding program we were fortunate in being able to purchase Leveldale Pace-maker who has won many championships himself and is sired by a bull that cannot be surpassed or equalled in the siring of champions and first prize winners, Leveldale Basis.

In January of this year we purchased the Weaver Baum herd which was recognized in this locality as a good source for acquiring well bred cattle, since Mr. Baum and his father had both been in the business for many years. They had in earlier years imported some very good cattle and this breeding still shows in the herd today.

Through the years we have culled the females closely and have been adding a few top ones to take their place. The females in the herd now have all raised a top notch calf, otherwise they would not have been kept. With these females and a good herd bull battery we should be in a place where we can sell the kind of cattle that will help produce the cattle of tomorrow.

We are hoping to make this sale an annual event, and we intend to keep striving to come forth each year with a stronger consignment of cattle.

Malcolm B. Tucker and Son.

Bambi F Gambler. Typical of the top kind that have been consigned by these breeders to leading sales. This Almy bull sold for \$650 in the Illinois State Sale to Claude Reed, Paris, Illinois. Sire, Kickapoo Gambler.

The Shorthorn herd at Bambi Farms is the chief interest of every member of the family. It has been a real pleasure to watch its steady growth and progress and breeding better cattle presents the kind of challenge we like.

In 1949 we acquired Lakeside Type 3rd, a bull that lived to a ripe old age, sired a great group of females for us and bulls that did very well for our customers. Our next bull, Kickapoo Gambler, was purchased from Kickapoo Farms and was the calf in dam by Kirkton Gambler out of the top selling female of the 1950 Mathers sale. This bull nicked very well with the Lakeside Type 3rd daughters, as did Bridegroom 22nd, the bull we also used at this time in partnership with Malcolm Tucker.

We looked long and hard for a top junior herd sire with a strong background and we just happened to be in the right place at the right time. The 1955 Gardhouse sale was a little sticky and we were able to take our pick of the young bulls. Although we knew it was a gamble to buy a calf so young, we selected a flashy, rugged, good headed imported-in-dam son of Calrossie Crocus Count, Morphie Count. Luck was with us and this bull not only developed into a great mature bull, but is even exceeding our fondest expectations as a sire.

Not long ago, our neighbor John Land, who has one of the good herds in Illinois, stopped by to see the sale cattle, and was so impressed with the young bulls and females by Morphie Count that he persuaded us to sell him a half interest.

It has been a great satisfaction for us to have been able to start a number of our friends and neighbors in the Shorthorn business. We are pleased our cattle have been doing well for others.

Robert L. Almy.

A few of the records made by Almy entries to sales:

Top selling bull, South Central Illinois Sale.

Three top selling bulls, East Central Illinois Sale.

Top selling female, South Central Illinois Sale.

Champion female, Vermillion Valley Sale.

Reserve champion bull, West Central Illinois Sale, Princeton.

Reserve champion female, West Central Illinois Sale.

Second prize bull, International Congress.

1958 Illinois State sale, three entries placed, first, second, and third.

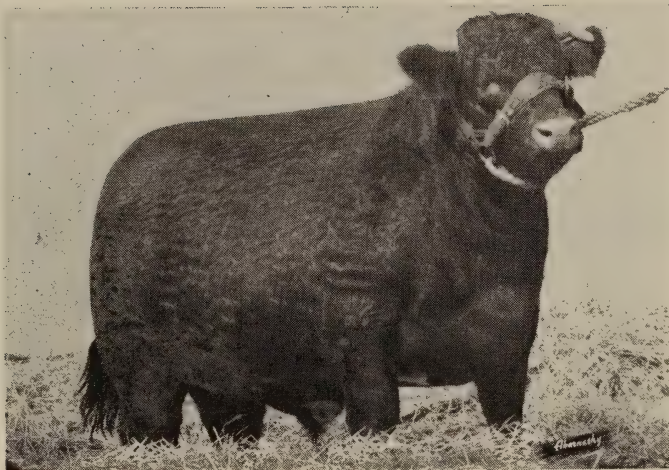

Another record of which we are proud: Leemon Stock Farm, Hoopeston, bought a cow from us at \$410 that produced a bull they sold for \$5,000.

Luther K. Rice, Paris, Kentucky, purchased a heifer for \$560 that produced a bull he sold for \$2,150 and another bull for \$800.

Malcolm Tucker purchased a cow for \$450. The calf she carried brought \$1,725.

Modest Eliza 4th. Purchased by Luther Rice, Paris, Kentucky, from Robert Almy for \$560. She produced Modest Senator, Kentucky National Futurity reserve champion that Mr. Rice sold for \$2,150.

Leveldale Heir. Purchased for \$2,000 by Weaver Baum in the 1955 Mathers sale. He was bred in Scotland by Mathers, is a son of Kirkton Heir by Kirkton Baronet and is out of a dam by the Perth champion, Glastullich Smasher. He is bred almost exactly like the 1955 Perth reserve champion sold to the Argentine for 7,000 gns. and considered one of the best bulls ever brought to Argentine. Eight daughters of Leveldale Heir sell in this sale.

For many years Weaver Baum maintained one of the best Shorthorn herds in this area. Our original start in 4-H work came from two heifers from his herd.

In earlier years the Baums imported some outstanding cattle and the influence of these is still felt strongly in the herd. Always they used the best herd bulls available, the most recent of which was Leveldale Heir, purchased for \$2,000 in the 1955 Mathers sale. This bull proved to be an exceptional sire, which is no surprise considering his pedigree.

Because of his health, Mr. Baum found it necessary to sell his cattle, and early this year we purchased the entire herd. This herd gives us the added strength to bring our numbers to the point where we can hold this annual sale.

We would like to have kept all the Leveldale Heir heifers. They should make outstanding brood cows. This couldn't be done and hold the sale too, so in go eight excellent Leveldale Heir daughters, nearly all bred to Leveldale Pacemaker and Leveldale Caesar.

Although the Baums did not fit and show their cattle, we have found, as have others, that the females purchased from them have been consistent producers of the kind that can win.

BAMBI ROAN BRISEIS 11th—A really top kind of heifer by the great old bull, Lakeside Type 3rd.
One of the last chances to get a heifer from this bull. Bred April 15 to Morphie Count.

The TUCKER and ALMY herds have matched the
stiffest competition in major shows and sales . . .
their herds are headed by great bulls . . . this sale is
one of the fall's best opportunities to put the good
kind to work in your herd.

Memo
